

Notification of Public Roadway Construction

Date: _____

Dear Homeowner/ Resident:

In accordance with Los Angeles Municipal Code Section 62.105, you are hereby being notified that the developer of the properties listed below have submitted an application and plans for a B-Permit from the Bureau of Engineering (BOE), to construct street improvements within an undeveloped public right-of-way, or paper street. (A paper street is one that has been dedicated as a public right-of-way, but, does not have an actual paved roadway.)
